

Welcome to our website for Albert Hall Evangelical Church in Renfrew.

We hope you find our site easy to use and provides you with more details about us, what we believe and all our various services and activities within the church and also within the wider community in Renfrew.

Renfrew is a small town, population approximately 20,000, situated on the banks of the River Clyde, approximately 8 miles from the centre of Glasgow.

We are part of the Christian Church, formed under the precepts of the Christian Brethren movement. The Church was established in Renfrew in 1903, and this website has been online since our centenary celebrations in 2003 - with a few changes since then..

We hope that we can give you a guide to the activities of the Church, our beliefs and our links to other Christian organisations.

The members of Albert Hall are practising Christians who try to live every day in the power of Jesus Christ.

We hope, by our example, to encourage others to do likewise. We trust that God will bless you as you visit this site.

If you are ever in our area, we would encourage you to come and meet with us at one of our services listed [here](#) .

[View Larger Map](#)

The Church is autonomous and is run according to certain New Testament principles, with the appointment of Elders to lead the Church.

We do have links with other Christian Churches and organisations, and these can be found [here](#) .
